Full stack web  
developer

## PROFILE

I am Kosiso Michael, lives at awka in Anambra state, from Igbo-etiti L.G.A, Enugu state. I am a web developer, I practiced my skills with online tutorials, E-books, videos from YouTube like up to 3 years now before I later found a mentor that will teach me more about web development and I learned from him. Currently, I am still learning some popular frameworks and at same time working for people.
